D & D

Breeze

Dragons stalk the courtyard While ogres lurk in the halls guarding fantastic treasures within my castle walls.

Magicians, theives, assassins, too, have tried to take my gold. So I sent them to the dungeons where it's always dark and cold.

I am the master of my world, the monsters serve me well. So if you try to steal my gold you might not live to tell. (You might end up in hell!)

Quote of the moment:

Dragon? What dragon? You said we were looking for a worm.
